Our New Minister

Through our joint meetings we have reflected upon the make-up of our congregations, the people we serve and those to whom we hope to reach out.

Seeking God's guidance we are looking for a minister who:

Teaches the Good News of Jesus and helps people discover the significance in their lives.

Encourages whole-hearted worship, incorporating culturally relevant, traditional and contemporary worship styles.

Cares deeply about pastoral care, and listens well and compassionately.

Appreciates the value of all people, encouraging and developing their skills and talents, and leads our churches forward together in the coming years.

Serves and cares for the people of the parishes, maintaining the church at the heart of both communities.

Brings vision in developing new ministries to our wider communities.

The Churches

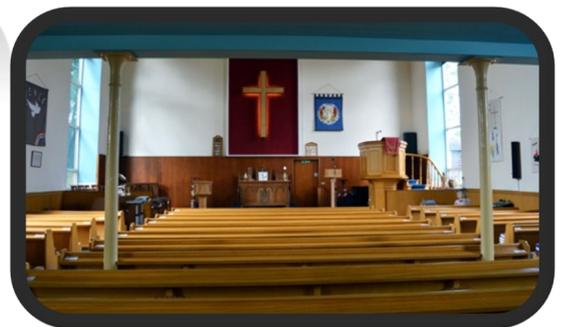

Haggs Parish Church

Haggs Parish Church, founded in 1840 as a planted church from Denny Old, lies at the western end of Falkirk Presbytery, its Parish boundary linking with that of Glasgow Presbytery.

The Parish covers an area of approximately six square miles serving a population of roughly five thousand five hundred in the Communities of Coneypark, Banknock, Haggs, Longcroft, Dennyloanhead, Allandale and Head of Muir, once a string of small villages along the A803/A872. The parish has been expanded by extensive new house-building in addition to the existing local authority housing.

The parish is well served by a variety of shops, restaurants and amenities. There is a health centre and Bankview Care Home where the carers and residents welcome our Christian fellowship. Two primary schools are in the parish, one at Bankier and the other at Head of Muir.

The Roman Catholic population of the parish is served by St Luke's Roman Catholic Church.

The Churches

Denny Old Parish Church

Our Congregation

We are a church serving God at the heart of the community of Denny.

The Parish of Denny Old was first established in 1601 and we celebrated our 400th Anniversary in 2001. Our present church is centrally located at "Denny Cross" is the third to have occupied the site and was built in 1815 with extensive modifications in 1928. It is in very good condition and has seating capacity for around 600 people. There is a well maintained traditional pipe organ.

The Congregational finances are in a healthy state with Ministries and Mission being met in full.

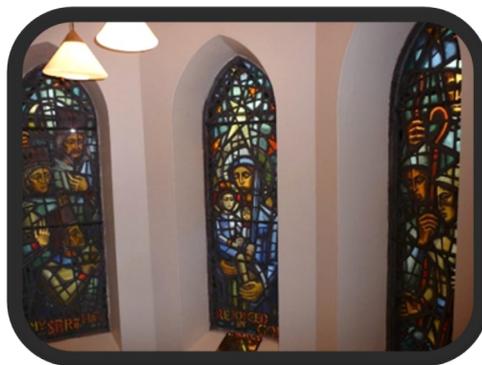

The Parish

Denny is divided into two parishes and the area we have responsibility for has a population of around 6000. Relationships with the other churches in the town are good. During Holy Week all the churches in the local area share the worship together. There is one other Church of Scotland church in Denny with another in nearby Dunipace, along with Denny Baptist Church and St. Alexander's Roman Catholic Church.

There is an annual ecumenical event held on Good Friday.

As a church we provide a bereavement support service and host a Blue Christmas Service in November for those recently bereaved. The church also has a visitation group who visit the sick and elderly on a regular basis. During the summer holidays, we have a Summer Club which this year attracted over 40 children from our local community.

Denny has three primary schools and a modern secondary school. A refurbished town centre will offer enhanced amenities.

Our Mission

Our Mission is to promote the Good News of the Gospel in our local communities and to be an outward looking, forward thinking, all-embracing Church that provides a warm welcome to all in the name of the Lord Jesus Christ. We seek to show God's love by serving Christ in our churches and communities with whole hearted commitment.

We recognise the need for mission and outreach within our parishes and plan to create a greater community awareness of what our churches have to offer.

All our aims are based on a sure belief in the character and teaching of Christ, and with God's help, we are assured that this vision can be fulfilled as we go forward in faith.

Hags Parish and Denny Old Parish churches are held dear to the hearts of local people. As parish churches we are reaching out with compassion to our wider communities. This forges links with the community through generations as people have come for weddings, funerals and baptisms. For some it may be only on those occasions that they enter the building, but it is still their church. They feel a connection to God and the church. This can allow deeper relationships to be built.

We feel we are open churches that welcome people of all traditions and none. There is within each congregation a spirit of understanding and awareness of the well-being of others which enhances our pastoral care.

Our churches have been looking at ways to bind ourselves more closely together. At a joint Kirk Session Conference at the end of February, both Kirk Sessions and Congregational Boards agreed to introduce a Unitary Constitution. During the months of July and August there will be joint services in each church on alternate months. At present we have two or three joint church services annually, but our vision for the near future is to have a monthly joint service. Both congregations are looking forward to becoming involved in other joint events in the coming months, as well as sharing each other's resources and talents.

Both churches have excellent links with local Primary and Secondary schools, Bankview Nursing Home, local community councils, Strathcarron Hospice and Forth Valley Hospital.

Our churches worship on Sundays either at 9.45am or 11.15 am (times will alternate annually in October). Duty teams welcome all to worship. Both churches have a sound system which includes a loop system with computer overhead projectors to enhance worship. Formal communion is celebrated twice a year with informal communions at the minister's discretion.

There is a Prayer Tree in each church where people can write messages for prayers to be said for themselves or others. This prayer list is updated fortnightly for anyone to include in their personal prayers. In memory of those who have died, there is the opportunity to place an apple symbol on the tree with the person's name.
